Allah - there is no God except Him, the Ever-Living, the Sustainer of all that exists. Neither slumber overtakes Him nor sleep. To Him belongs whatever is in the Heavens and the earth. Who is that who can intercede with Him except by His permission. He knows what lies before them and what lies behind them. And they do not encompass anything of His knowledge except what He wills. His Throne extends over the heavens and the earth, and the guarding of both of them does not tire Him. And He is the Most High, the Most Great.	Not [the Sustainer of all that exists, the Ever-Living, Him, except] God [there is no one] who slumber overtakes Him nor sleep. To Him belongs whatever is in the Heavens and the earth. Who is that who can intercede with Him except by His permission. He knows what lies before them and what lies behind them. And they do not encompass anything of His knowledge except what He wills. His Throne extends over the heavens and the earth, and the guarding of both of them does not tire Him. And He is the Most High, the Most Great.
